Feedback Analysis Report (2021-22)

The feedback is taken once a year from the students of both UG and PG classes, teachers and alumni. Feedback is obtained in structured manner through proformas developed for the purpose. The feedback obtained is kept confidential used only for the purpose of quality enhancement of the college.

The collected data is consolidated and analysed for reaching out to the conclusions and the suggestions are also considered. The tables are prepared and percentage scores are calculated. The analysis and suggestions are shared with the meeting of college academic council.

In-depth analysis of the feedback gives insights into the problem areas and the solutions from various stakeholders are evaluated and examined carefully. After thorough deliberations the course of action to be taken is decided
